HYEJIN HWANG, PH.D.

Assistant Professor
Department of Educational Psychology
University of Minnesota
56 East River Rd, 164 Education Sciences Building
Minneapolis, MN 55455
(612)624-3580

Google Scholar Link

PROFESSIONAL APPOINTMENTS

Assistant Professor 2023 - present
University of Minnesota, Minneapolis
Department of Educational Psychology

2021 - 2023
President's Postdoctoral Fellow
University of Minnesota, Minneapolis
Department of Educational Psychology

Postdoctoral Scholar 2018 - 2021
Florida State University, Tallahassee
Florida Center for Reading Research

EDUCATION

University of Michigan, Ann Arbor, MI, USA Ph.D. 2018
School of Education, Educational Studies,
Concentration: Literacy, Language, and Culture
Dissertation committee members: Nell K. Duke, Gina N. Cervetti, Kai S. Cortina, Nick Ellis.

HONORS, FELLOWSHIPS, AND AWARDS/NOMINATIONS

Nominated for **Early Career Award**, American Psychology Association 2024
Nominated for **Early Career Award**, Literacy Research Association 2024
President's Postdoctoral Fellowship, University of Minnesota 2021
Finalist International Literacy Association Timothy & Cynthia Shanahan Outstanding Dissertation Award, International Literacy Association. 2019
Rackham One Term Dissertation Fellowship, University of Michigan 2017
Institute for Social Research-Rackham Summer Training Award, University of Michigan 2017
School of Education Scholar Award, University of Michigan 2013 – 2016
General Scholarship for graduate study, Korea University Graduate School 2011

General Scholarship for graduate study, Korea University Graduate School 2010
Honor for undergraduate study, Korea University 2008, 2005

PUBLICATIONS

Peer-reviewed Journal Articles

**student or **postdoctoral scholar (at the time of the first submission)*

Ye, S., & **Hwang, H.** (in press). Profiles of working memory and language skills in multilingual students. Submitted to *Journal of Speech, Language, and Hearing Research*.

Choi, S., McMaster, K. L., **Hwang, H., Kim, N., Reno, E. A., Fulsher, A., An, J., Guha, M., Slater, S., Mergen, R., Pizzigallo, E., & Kendeou, P. (in press). Understanding individual and media differences in kindergarteners' video-based inference-making. *Learning and Individual Differences*.

Cabell, S. Q., Kim, J., White, T., Edwards, A., Hadley, E., **Hwang, H.**, & Wang, S. (2023,

August). Teacher-child conversations across early childhood classroom contexts: Transfer of kindergarten teacher training and implementation of a content-rich literacy curriculum to a novel read-aloud session, Presentation at Societies for Scientific Studies of Reading 2023, Australia.

Kim, J., **Hwang, H.**, Kendeou, P., & McMaster, K. (2023, August). Supporting Inference-Making for Students at Risk of Reading Comprehension Difficulties. Presentation at American Psychological Association Annual Meeting 2023, Washington D.C., United States.

Relyea, J., **Hwang, H.**, Davis, D., Peachey, K., & Weathers, C. (2023, April). A meta-analysis of the effects of K-5 expository text reading intervention. Presentation at American Educational Research Association Annual Meeting 2023, Chicago, IL, United States.

Kim, J., **Hwang, H.**, Kendeou, P., & McMaster, K. (2023, April). Assessing the efficacy of an early language comprehension intervention: A small-scale RCT. Presentation at American Educational Research Association Annual Meeting 2023, Chicago, IL, United States.

Kim, J., **Hwang, H.**, Harsch, R., Wilke, B. C., Reno, E., Burey, J., Stagnaro, K., Choi, S., Slater, S., Kohli, N., McMaster, K. L., Kendeou, P. (2023, March). Potential of ELCII in supporting students at risk of reading comprehension difficulties. College of Education and Human Development Research Day, Minneapolis, MN, United States.

2022

Kim, J., **Hwang, H**., Kendeou, P., & McMaster, K.L. (2022, November 17). Inference Galaxy: A digital platform designed to teach inference-making to young students. Presentation at Society for Computation in Psychology 2023 Annual Meeting, Boston, MA, United States.

Kendeou, P., McMaster, K.L., Reno, E.A., Burey, J., Kim, J., Orcutt, E., Slater, S., Harsch, R., Stagnaro, K., **Hwang, H.**, & Chen, C. (2022, March 24). *Supporting Early Elementary Students' Reading Comprehension Development Using Inference Galaxy*. College of Education and Human Development Research Day, Minneapolis, MN, United States.

Hwang, H., Kim, J., Burey, J., Kendeou, P., & McMaster, K. (2022, July 19-21). *Does scaffolding support inference-making in primary-grade students?* Presentation at Society for Text and Discourse 2022, Atlanta, GA, United States.

Hwang, H., McMaster, K., & Kendeou, P. (2022, August 4-6). *Knowledge, reading, working memory, and cognitive flexibility*. Presentation at American Psychological Association Convention 2022, Minneapolis, MN, United States.

Hwang, H., Kim, J., Burey, J., Kendeou, P., & McMaster, K. (2022, August 4-6). *Impact of Language Comprehension Individualized Instruction on kindergarteners' inference-making?* Presentation at American Psychological Association Convention 2022, Minneapolis, MN, United States.

Hwang, H., Kim, J., Burey, J., Wilke, B., Kendeou, P., & McMaster, K. (2022, August 4-6). *Does Students' Inference-Making Transfer Across Different Media?* Presentation at American Psychological Association Convention 2022, Minneapolis, MN, United States.

Kim, J., **Hwang, H.**, McMaster, K.L., Kendeou, P. (2022, August 4-6). *Supporting inference-*

making during COVID-19 through individualized instruction. Presentation at American Psychological Association Convention 2022, Minneapolis, MN, United States.

2021

Cabell, S. Q., Kim, J. S., White, T. G., **Hwang, H.**, Gales, C., Hadley, E., Raines, R., Todd, J., Wang, S. (2021, July). *Impact of a content-rich English language arts curriculum on kindergarten students' language and knowledge and teachers' transfer to novel read-alouds*. Presentation at the annual meeting of the Society for the Scientific Study of Reading.

Wang, S., Cabell, S. Q., **Hwang, H.**, & Leushuis, A. (2021, April). *The association between informational text exposure during read-alouds and kindergarteners' vocabulary and knowledge development*. Presentation at the annual meeting of the American Educational Research Association.

2020

Hwang, H., Cabell, S. Q., & Joyner, R. (2020, December). *Two are better than one? Meta-analysis of the effects of integrated instruction on vocabulary and comprehension outcomes*. Presentation at the annual meeting of the Literacy Research Association, Virtual Platform.

Cabell, S. Q., Kim, J. S., White, T. G., **Hwang, H.**, & Gales, C. (2020, July). *Impact of the content-rich English language arts program on kindergarten students' language and knowledge*. Accepted paper to present at the annual meeting of the Society for the Scientific Study of Reading, Newport Beach, CA (Cancelled due to the pandemic).

Hwang, H., & Cabell, S. Q. (2020, April). *Vocabulary and domain knowledge as predictors for oral comprehension in kindergarten: A person-centered approach*. Accepted paper to present at the annual meeting of the American Educational Research Association, SF, CA (Cancelled due to the pandemic).

Cabell, S. Q., Kim, J. S., White, T. G., **Hwang, H.**, & Gales, C. (2020, April). *Randomized controlled trial of a knowledge-building read-aloud program in kindergarten*. Accepted paper to present at the annual meeting of the American Educational Research Association, SF, CA (Cancelled due to the pandemic).

2019

Hwang, H., Cabell, S. Q., White, T. G., & Joyner, R. (2019, December). *A systematic review of the research on the effect of knowledge building in literacy instruction on comprehension and vocabulary in the elementary years*. Presentation at the annual meeting of the Literacy Research Association, Tampa, FL.

Cabell, S. Q., White, T. G., Kim, J. S., **Hwang, H.**, & Gales, C. (2019, December). *Impact of the Core Knowledge Language Arts' read-aloud program on kindergarteners' vocabulary, listening comprehension, and general knowledge*. Presentation at the annual meeting of the Literacy Research Association, Tampa, FL.

Cabell, S. Q., Gerde, H., **Hwang, H.**, Bowles, R., Skibbe, L., & Piasta, S. (2019, July). *Level and*

growth of children's language and decoding skills predict later writing achievement. Presentation at the annual meeting of the Society for the Scientific Study of Reading, Toronto.

Cabell, S. Q., White, T. G., Kim, J., & **Hwang, H.** (2019, January). *Impact of Core Knowledge Language Arts' knowledge strand on kindergarteners' vocabulary, listening comprehension, and general knowledge.* Presentation at the NCER/NCSER Annual Principal Investigators Meeting, Washington D.C.

2018

Hwang, H., & Cho, B. (2018, November). *Literacy resources, individual differences, and digital reading comprehension: A secondary analysis of (e)PIRLS 2016 United States national data*. Presentation at the annual meeting of Literacy Research Association, Palm Springs, CA.

2017

Hwang, H. (2017, November). *The roles of general knowledge and reading motivation in fourth graders' reading comprehension in Australia, Canada, Germany, Hong Kong, and Singapore.* Presentation at the annual meeting of Literacy Research Association, Tampa, FL.

Hwang, H. (2017, April). *Examining the roles of prior knowledge, reading motivation, and decoding skills in reading comprehension achievement in third-grade ELLs and monolinguals*. Presentation at the Korean-American Educational Research Association, San Antonio, TX.

Hwang, H. (2017, March). *Investigating the associations of reading achievement with prior knowledge and reading motivation: A multi-level analysis with Australian data.* Presentation at the Graduate Student Community Organization and Becoming Educators of Tomorrow Conference, Ann Arbor, MI.

2016

Hwang, H. (2016, December). *Reading comprehension in third-grade English language learners and native English speakers in the U.S. using the ECLS-K.* Presentation at the annual meeting of the Literacy Research Association, Nashville, TN.

Hwang, H., & Giroux, C. (2016, March). *Reading comprehension for linguistically and culturally diverse students: A historical inquiry*. Presentation at the Graduate Student Community Organization and Becoming Educators of Tomorrow Conference, Ann Arbor, MI.

2015

Cervetti, G. N., Wright, T. S., & **Hwang, H.** (2015, December). *Building knowledge in the early years of school: Integrating science with language and literacy instruction*. Presentation at the annual meeting of the Literacy Research Association, Carlsbad, CA.

Kneff, T., Huynh, M., Fischer, C., **Hwang, H.**, & Yankson, K. (2015, September). *"Borrowing" from Britain: A typology of the educational systems of India, Jamaica, Hong Kong, New Zealand, and Ghana.* Presentation at the 2015 focal meeting of the World Education Research Association, Budapest, Hungary.

Cervetti, G. N., Wright, T. S., & **Hwang, H.** (2015, April). *Conceptual coherence, comprehension, and vocabulary acquisition: A knowledge effect?* Presentation at the Annual Meeting of the American Educational Research Association, Chicago, IL.

Fischer, C., Huynh, M., **Hwang, H.**, Kneff, T., & Yankson, K. (2015, March). *"Borrowing" from Britain: A comparison of foundations of the educational systems of India, Jamaica, Hong Kong, New Zealand, and Ghana.* Presentation at the Graduate Student Community Organization and Becoming Educators of Tomorrow Conference, Ann Arbor, MI.

Invited Talks

Cabell, S. Q., & **Hwang, H.** (2026, October). Knowledge building for early learning: Conversation with leading researchers. Invited presentation at Cox Campus & ReadWorks. https://www.crowdcast.io/c/knowledge-building

Hwang, H., Kendeou, P., Kim, N., van den Broek, P., & *Son, Y. (2026, April). *Development of a self-report measure for Readers' Orientation toward Standards of Coherence (ROSCO).* Invited presentation at MOOCA Research Commons Meeting.

Hwang, H. (2025, October). *Understanding and supporting reading comprehension.* Invited presentation at Psychological Foundations of Education at UMN.

Cabell, S. Q., & **Hwang, H.** (2025, September). *Comprehension and knowledge building: A two-way street*. Invited presentation at Amplify.

Hwang, H., & Kendeou, P. (2025, May). *Supporting inference-making in non-reading context*. Invited presentation at the Right to Read.

Hwang, H. (2024, May). *Fostering science knowledge revision with refutational text in early grades*. Invited presentation at the Right to Read.

Hwang, H. (2024, Feb). Supporting Inference-Making in Content-Rich Literacy Instruction. Invited presentation at International Literacy Association, Literacy Intensive (https://ila.digitellinc.com/p/s/literacy-and-content-instruction-that-supports-language-development-2620)

Hwang, H. (2023, June). *Feeding two birds with one hand: Integrating literacy and content-area instruction*. Invited keynote presentation at University of Wisconsin Stevens Point, Stevens Point, WI.

Hwang, H. (2023, February). *Standards of coherence*. Invited presentation at President's Program Research Symposium at University of Minnesota, Minneapolis, MN.

Hwang, H. (2023, January). *Comprehension and content learning*. Invited presentation at College of Education and Human Development at University of Minnesota, Minneapolis, MN.

Hwang, H. (2022, March). *Reading comprehension and content learning in K-12 setting*. Invited presentation at President's Program Research Symposium at University of Minnesota, Minneapolis, MN.

Hwang, H. (2022, January). *Domain knowledge, reading, and executive function*. Invited presentation at Department of Educational Psychology at College of Education and Human Development, University of Minnesota, Minneapolis, MN.

Cabell, S. Q., & **Hwang, H.** (2021, November). *Integrating instruction in literacy and content-area knowledge*. Invited presentation at Barksdale Reading Institute, Jackson, MS.

Hwang, H. (2020, November). *Potential of Content Knowledge in Supporting Reading Comprehension in the Elementary Years*. Invited presentation at Department of Educational Psychology, University of Minnesota, Minneapolis, MN.

Hwang, H. (2019, October). *Relationships of science domain knowledge and reading motivation with L1 and L2 reading comprehension of informational and narrative genres: An international study*. Presentation at the annual meeting of the International Literacy Association, New Orleans, LA.

Hwang, H. (2018, November). *Role of general knowledge and reading motivation in reading achievement in the elementary years*. Invited presentation at the AERA Fall Research Conference, Washington D.C.

Hwang, H. (2018, April). *Do knowledge and motivation matter? The role of general knowledge and reading motivation in reading achievement in the elementary years*. Presentation of dissertation in a poster session, *Promising Scholarship in Education: Dissertation Fellows and Their Research* at the Annual Meeting of the American Educational Research Association, NYC.

Hwang, H. (2018, March). *Reading development in students who are second language learners in the elementary years*. Invited presentation at Florida Center for Reading Research, Florida State University, Tallahassee, FL.

GRANT AWARDS

Awarded Research Grants

Principal Investigator. Developing and testing content-area literacy and AI-literacy through project-based learning (CLAP). Grant-In-Aid, University of Minnesota, $51,000, Funded, 2026-2027.

Co-Investigator: Universal Inference Galaxy: Expanding access to evidence-based early language comprehension instructional technology. Office of Special Education Programs, U.S. Department of Education, $700,000, Funded. 2025-

Co-Principal Investigator: Efficacy of Early Language Comprehension Individualized Instruction (ELCII). Institute of Education Sciences, U.S. Department of Education, $3,799,419, Funded. 2022-

Principal Investigator: Supporting elementary students' evaluation of online sources through lateral reading. Indirect Cost Recovery Grant at the Department of Educational Psychology at the University of Minnesota, $3,000, 2025-

Principal Investigator: Read-Aloud Instruction for SciencE Learning (RAISE Learning). Indirect Cost Recovery Grant at the Department of Educational Psychology at the University of Minnesota, $2,480, 2023-2024

Principal Investigator: Developing a Noble Measure for Standards of Coherence for Reading Comprehension. Indirect Cost Recovery Grant at the Department of Educational Psychology at the University of Minnesota, $3,000, 2022-2023

Principal Investigator: Leveraging Refutation Texts to Boost Knowledge Revision in Kindergarten. American Psychological Association Division 15 (Educational Psychology) Research Grant, $4,966, 2022-2023, submitted April 2022.

Principal Investigator: Open Access Publishing Grant. Florida State University Libraries, $700, 2019.

Principal Investigator: American Educational Research Association Dissertation Grant. American Educational Research Association, $25,000, 2017 – 2018

Principal Investigator: Rackham Graduate Student Research Grant, University of Michigan, $1,290, 2017 – 2018

Principal Investigator: Rackham Graduate Student Research Grant, University of Michigan, $495, 2016 – 2017

Conference Travel Grants

American Educational Research Association Division C (Learning and Instruction), New Faculty Mentoring Program	2024 Spring
Postdoctoral Scholars Career Development Travel Awards, Florida State University	2019 Fall
Educational Studies Travel Grant, University of Michigan	2018 Winter
Rackham Conference Travel Grant, University of Michigan	2017 Fall
Educational Studies Travel Grant, University of Michigan	2017
Rackham Conference Travel Grant, University of Michigan	2017 Winter
Rackham Conference Travel Grant, University of Michigan	2016 Fall
Rackham Conference Travel Grant, University of Michigan	2016 Winter
Rackham Conference Travel Grant, University of Michigan	2015 Fall

TEACHING & CURRICULUM DEVELOPMENT

Higher Education

Instructor for *EPSY8116 Reading for Meaning: Cognitive Processes in the Comprehension of Texts, taught at University of Minnesota*	2028 Spring

Instructor for *EPSY 5001 Learning, Cognition, and Assessment (for preservice teachers) – Online, taught at University of Minnesota*	2025 Spring, 2025 Fall-2026 Spring, 2027 Spring
Instructor for *EPSY 5001 Learning, Cognition, and Assessment (for preservice teachers) – taught at University of Minnesota*	2024 Fall
Syllabus developer and Instructor for *EPSY 5216 Introduction to Research in Educational Psychology and Human Development – taught at University of Minnesota*	2023 Fall, 2025 Fall

ADVISING & MENTORING

Postdoctoral Scholars

Seohyeon Choi
Jechun An
Heeryung Choi

Graduate Advisees

Doctoral students

YooJeong Son
Yulu Sun

Master's students

Jianjian Wu
Che Thao

Graduate Students Mentoring

Graduate students at UMN

Yewon Kang
Kiera Rosenberg
Lalinne Suon Bell
Jasmine Kim (currently at OECD as a researcher [permanent position])
Elsie Liu (currently at Michigan State University as a doctoral student)

Graduate students at other institutions

Hyangeun Ji at Temple University (currently at Northen Texas University as an assistant professor)
Team-mentored 16 graduate students or postdocs on academic job market with 13 other faculty mentors at *Korean Edutech/Learning Sciences Researcher Network* (KELS)

Doctoral Theses

Kristin Burger, *Analyzing Read-Aloud of Refutational Text (2024)*
Bess Casey Wilke, *An Examination of the Relationship between Kindergarten Students' Reading Profile and Response to Language Comprehension Instruction (2024)*

Written Exam
Yewon Kang

Master Preliminary Papers
Irene Lila
Brooke McMahon
Sujit Maharjan

Undergraduate Students
Christopher Blommel

Visiting Scholars
Dilara Zhumagul from Kazakhstan

SERVICE & PUBLIC OUTREACH

Service to the Discipline/Profession/Interdisciplinary Area(s)

Editorial Boards

Learning and Individual Differences (2026 – present)
Journal of Educational Psychology (2021 – 2026)

Ad-Hoc Journal Review

Guest Reviewer for *Teaching and Teacher Education* (2025 - present)
Guest Reviewer for *Reading Research Quarterly* (2023 – Present)
Guest Reviewer for *Elementary School Journal* (2023 – Present)
Guest Reviewer for *Scientific Studies of Reading* (2022 – Present)
Guest Reviewer for *Cognitive Development* (2022 -- Present)
Guest Reviewer for *Reading Teacher* (2021 – present)
Guest Reviewer for *Discourse Processes* (2022 – Present)
Guest Reviewer for *Learning and Individual Differences* (2022 – Present)
Guest Reviewer for *American Education Research Journal* (2021 – present)
Guest Reviewer for *Journal of Literacy Research* (2020 – present).
Guest Reviewer for *Reading and Writing: Interdisciplinary Journal* (2020 – present)

Conference Proposal Review

Reviewer for *Literacy Research Association* Annual Meeting (2024-present)
Reviewer for *Society for Research on Educational Effectiveness* Annual Meeting (2024 – Present)

Media Interview or Podcast

Science of Reading, the Podcast (Season 8): Knowledge building can't wait, with HyeJin Hwang (https://podcasts.apple.com/us/podcast/s8-e9-knowledge-building-cant-wait-with-hyejin-hwang/id1483513974?i=1000643627361 Episode downloaded more than 20,000

times)

To the Classroom, 2023, guest speaker, Episode 11. Bidirectional Relationship of Knowledge and Comprehension in Mono and Multilingual Learners (https://podcasts.apple.com/us/podcast/ep-11-dr-hyejin-hwang/id1671184358?i=1000611256879)
